**We are so sure that you will find the Respironics compressor/nebulizer to be the fastest, most efficient unit on the market today, that we will give you one just for trying it. Care Connection Plus is a home medical equipment supplier who will ship you 3 Respironics compressor/nebulizers at no cost to your office.**

After you receive the compressor/nebulizers, administer a treatment to a patient and see for yourself that the treatment time is about 7 minutes. Care Connection Plus accepts all health plans. We service over 5,500 physician offices coast to coast.

**If you find the Respironics compressor/nebulizer to be less than satisfactory in any way, Care Connection Plus will issue a UPS/FEDEX call tag to pickup the two unused units at no charge to you. You may keep the demo unit.**
